

# Surprisingly stylish

## New design - trusted quality

Meet the daring new and stylish AR mixers and bring style and endurance into your kitchen or bakery.

We have kept the trusted sturdiness and high capacity engine and enhanced some of the decisive features of the AR models 30, 40 and 60 litres. Without compromising the all-familiar quality.

For the first time ever, power, function and design have been brought together. Experience the unique, all-inclusive performance:

- **Black and stainless steel exterior**
- **Digital timer**
- **Soft bowl lowering**
- **Stainless steel beater**

Be the first to bring style and boldness to your production, without compromising the trusted quality.

30, 40 and 60 litres AR models available in black, stainless steel and of course, classical white.
